

Human Services Leadership Council
MISSAUKEE & WEXFORD COUNTIES, MICHIGAN

Vision: An improved quality of life in our counties through an area-wide organization which provides a collaborative delivery of services based upon community needs.

Mission: To achieve our collective vision of quality of life in our communities through the provision of leadership in the design, delivery, and oversight of health, education, and human services. We will share responsibility, risks, resources and rewards in this endeavor.

Purpose: *(Please refer to By Laws for complete version)*

1. Plan, review, and endorse human services programs.
2. Provide guiding principles that are utilized in decision making, program development, assessing needs and program evaluation.
3. Assess the needs and assets of the human services community and set priorities in the establishment of goals and objectives.
4. Be a leader in human services collaboration, ensuring maximum access, quality delivery, and outcomes that are clearly accountable and desirable.
5. Facilitate the development of a full continuum of human services in Missaukee and Wexford Counties.
6. Provide a forum for the exchange of information.
7. Serve in a leadership capacity to other community human services coordinating initiatives.
