New Hire RR Training attendance within 30 days of hire is Required for all staff and providers. Attendance of Annual Refresher training is also required.

Please make sure you are on time to our classes! Tardiness will not be tolerated during our Recipient Rights Training since it results in attendees missing training that may be essential to protecting the rights of our recipients. It is also disruptive to trainers and others in attendance. Employees or Providers who miss 15 minutes of the total training time will be asked to reschedule to the next Recipient Rights Training course.
