5. OWNERSHIP LINKAGE:

A. Citizen Comment – Nicole read the public comment expectation.

Gina Aranki, CEO of Child and Family Services of Northwest Michigan and Third Level identified that she is grateful for the partnership with CMH. She believes in good communication to move forward with FAST and Wraparound and other opportunities. She noted that for the record she wanted to identify that they were not aware of any issues or situations that were not addressed. Moving forward with our continued partnership between our organizations and serving our mutual clients and consumers.

B. Ownership Communication – None.

6. CHIEF EXECUTIVE OFFICER'S REPORT:

Reference was made to Karl's written CEO Report. Karl identified that he attended at the CMHAM Winter Conference two presentations regarding Human Trafficking one, at the Pre-Conference and one during the Plenary Session. They were powerful presentations. Karl referenced the Hotline for Human Trafficking in his report to report suspicious activity (888-373-7888). Becky, Joanie, Randy, Lorelei and Darryl Washington attended the conference as well. Karl encouraged board members to attend as it is an opportunity to network and get a better understanding of public mental health. The Secretary of State Offices also has flyers available on Human Trafficking.

Karl provided an update on the renovation of the first floor at our Traverse City Office for Child and Family staff and thanked the Board Ad Hoc Building Committee members.

Karl reported that we have finalized the contract with the Grand Traverse County Jail and have placed the LMSW and Peer Support staff. He noted that the feedback from the Jail Administrator is that it is going well.

On February 1 we went to Microsoft Office 365 and a new email system. It is a big change and is little compared to the move to NOLA on June 1. The whole month of May will be training staff to be prepared for the June 1 kickoff to NOLA. The Intacct system which is a general ledger system became effective February 1.

Karl and Northern Lakes has been appointed as a guardian for a consumer in Crawford County and for one in Grand Traverse County. He identified that this creates a conflict of interest because we are the guardian and the service provider. He noted that anyone who knows of someone or is interested to be a guardian please contact him. It was suggested to contact churches, ministry, Love Inc to place on their bulletins.

7. NORTHERN MICHIGAN REGIONAL ENTITY REPORT:

The minutes of the January 23 meeting were not received. Randy noted that the main focus is in the expansion of the health home. The NMRE Executive Director is involved in the definition of rural and urban. Our PIHP is in good shape and continue to refine systems and make better connections. The NMRE will be meeting in April with Judge Powers and the Chairman of the Grand Traverse County Commission to discuss items related to how we can better work together. Lorelei commented on the workshops she attended at the CMHAM Conference. She suggested that we request the handout identifying the differences from the PIHP versus the private insurance. Another issue is to try to get our legislators educated and that we advocate about our public mental health system. Karl referenced the PA2 tax revenue and that there is money available at the local level to generate a campaign or an educational campaign for substance abuse disorder education and prevention activities.
